

Cleveland/Cuyahoga County Homelessness Continuum of Care
Coordinated Intake Request for Qualifications

ADDENDUM

OHS will consider responses to the Coordinated Intake RFQ that address Coordinated Intake functions 1, 3,4,5 and/or 6.

1. Access – Call Center*
2. Access – In Person
3. Assessment
4. Housing Unit Acquisition
5. Housing Navigation
6. Coordinated Intake Administration*

Functions indicated with an asterisk (*) and their related subcomponents must be provided by a single entity. No subrecipient agreements will be allowed.

Element #2. Access is not being considered for funding by OHS at this time.

OHS will select operators for each function. A single agency/entity may apply for one or all functions. OHS will consider applications that identify a primary operator and subrecipients for elements of the CI function.

OHS will **not** consider individual applications for portions of a single CI element. Applicants must apply to operate the entire element or be part of a joint application that collectively addresses all aspects of the CI element.
