At Cuyahoga County Division of Senior and Adult Services, we know that older adults face ever-increasing costs for health care, utilities, and prescription medicine. There are numerous government and community benefit assistance programs that can help seniors reduce these expenditures. But, until recently, information about these programs was not readily accessible.

Benefits Check Up has made it possible to locate information about federal, state, and Cuyahoga County benefit programs via the internet.

We hope all our older residents will take advantage of this outstanding resource.

Richard L. Jones, Ph.D., Administrator,
Division of Senior and Adult Services
