CQE Process

Judge's Consideration

- By a **preponderance of the evidence**:
 - (a) Granting the petition will **materially assist** the individual in obtaining employment or occupational licensing.
 - (b) The individual has a **substantial need** for the certificate to live a law-abiding life.
 - (c) Granting the petition would **not pose an unreasonable risk** to the safety of the public or any individual.

Decision Time

When the court is done with its investigation, by law, it has 60 days to make a decision about granting the CQE.

- If the CQE is GRANTED: You can print your Certificate from <https://drccqe.com>. You or any employer can verify the current validity of your CQE at <http://www.drc.ohio.gov/web/cqe.htm>.
- If the CQE is DENIED: You can appeal. The court may put conditions on your reapplying, such as completing certain programs or waiting longer to demonstrate your rehabilitation.

Next Steps

- Resume
- Job Applications
- A CQE is **automatically revoked** and invalid if a felony is committed
