Teen Health- Adolescent Medicine Clinic

For teens and young adults, health care can be kind of uncomfortable. Being open about all of the changes that happen during adolescence can be more than a little embarrassing but at Metro Health, we believe when it comes to your health and well-being, no topic should be off-limits. And at our clinics, you can find that out for yourself.

You can find us in two locations:

- [**MetroHealth Medical Center**](#) in the Women & Children's Pavilion, First Floor, [**216-778-2222**](#).
- [**MetroHealth Beachwood Health Center, 216-957-9959**](#).

Cuyahoga County Resources for Transition Aged Youth/Young Adults

Cuyahoga County does everything possible to make sure children in our care find permanent, supportive homes before they turn 18 and "age out" of the foster care system.

But for young people who do age out, Cuyahoga County has assembled a network of programs and services to help ease the transition into adulthood.

A Guide for Young Adults Transitioning from Foster Care

This is a very exciting time for you! It can also be a very intimidating phase in your life...and that is OK. That is how we grow! It is our hope that these resources provide guidance and peace of mind to you as you continue your journey...

If you find that you need additional guidance and assistance after leaving care; please contact the KIDS Hotline @ (216)696-KIDS(5437) and request a Young Adult Services Case.

College Bound Program
